Data Source: The data is self-reported by Underground Infrastructure Owners (UIOs).

Exclusions: The report excludes data for Planning, Sewer Lateral, Emergency, Cancel, Test and Void requests. **We are working towards including Priority 0 requests in this report beginning January 01, 2025.**

Legislative Impact: The new legislative change, Ontario Regulation 136/24, which took effect on May 1, 2024, will impact the data starting from the last week of April 2024. Consequently, numbers may not add due to rounding.

Note: Starting May 2024, OOC has split the reporting pages to show delivery performance separately for Advanced requests, Single Address requests and a total for both.
